

## Silver Needle's Hotel Recommendations

Nice and convenient hotels that have been recommended to us by our customers... these are suggestions... places to stay that are close to the shop... clean... safe... the whole bit!

\*KEEP IN MIND\* that we LIVE here... so we don't stay in our local hotels!!! That sounds so silly... but as I recommend all of these... it occurs to me that I, personally, have never spent the night at one of them!!! Lots of our customers do, though, and all have come very favorably recommended.

This hotel is within 2 miles of the shop. It is Lovely! They offer us room blocks for our Weekend Teaching Events, as well!

1 Mile west of the shop -- we can see its office buildings from our windows! Just lovely, upscale, great weekend rates. There is a mini-Starbucks in the lobby for breakfast.

These next three are approx 2-1/2 miles from the shop. They are all \*On The Strip\*... the few miles of restaurants and hotels... and across the street from Woodland Hills -- aka \*The Mall.\*

Upscale... one of the hotels in town that always hosts the big Sunday Brunches... 5 miles from the shop.

Hope this helps a little!

Silver Needle is very centrally located in Tulsa. We have great places to 'send the rest of the car off to' while you're here... and lots of other great shopping suggestions while you're in town. Good family outing recommendations, and great local restaurant ideas. Just ask!
