

## Presenting Silver Needle's 2017 Summer Stitching Event

Join Us as We Welcome Chessie & Me and Plum Street Samplers!

Thursday, July 13th -- Saturday, July 15th, 2017

Linda Lautenschlager of Chessie & Me has been designing charming samplers for years and years! She loves hand-dyed linens and threads, and always incorporates specialty stitches into her designs for lots of added texture and tiny bits of interest. ( I bet we're going to hear all about Chessie while she's here, too!) Paulette Stewart is a newer addition to our Cross Stitch world. She designs all sorts of different things... some of our favorites are her little wiener dog designs!!! Lots of hand-dyeds and fun threads -- like Linda -- I know both ladies are hard at work with awesome projects!!!

**Wednesday, July 12th -- The Early-Bird Day!** Come and shop all day long... We're ready for you! Your daytime Stitching Lounge (in our class space) opens today for the earliest of early-birds! 1:00 pm today begins 4 days of stitching!!! Mona has an optional finishing class today, and there will be an evening stitch lounge at hotel tonight, as well.

**Thursday, July 13th --** Our Daytime Event Stitching Lounge opens at 9am today! Mona has more optional finishing classes, and the shop is open all day for terrific shopping! Happy Hour tonight begins about 4:45 and the Dinner Festivities follow with the Designers. (You'll be curling up at the hotel for bedtime stitching by 10.)

**Friday and Saturday, July 14th and 15th --** Classes with Linda and Paulette... these two days -- both of the ladies are working on wonderful projects for us -- and you get them BOTH! Yummy lunches tossed in, door prizes, goodie bags, great shopping and lots of friends... what could be better? We wrap up by 4pm.

**We are offering two optional Magic By Mona Finishing Frenzy classes on Wednesday and Thursday -- in addition to Linda and Paulette!!!** Take one \$55, or both for \$100. They are little classes designed to teach you how to finish your needlework on your own -- which always comes in handy at \*the last minute!\* You will be stitching small designs by Linda and Paulette for your projects. Stitching homework IS required so that you actually HAVE something to finish in the classes.

### ★Wednesday July 12th Class -- 1:00pm to 4:00pm

Basics and Beyond. We will take three of our favorite techniques: box, wedge, and easel and give them all a fresh approach. Also that day's class covers instructions on how to put together the Plum Street tart pans. Stitch your favorite tart pan pattern and bring your pan to class...we will put them together so yours will be just like Paulette's. If you don't want to do the pan you can do a darling door hanger. Patterns will be sent out on Feb 15.

### ★Thursday July 13th Class -- 1:00pm to 4:00pm

Sewing Set...We will complete a four piece sewing set. This year we will have a darling folding sewing tray, thread ring, scissor board and fob. Patterns will be sent out on Feb 15.

**We're doing our St Jude's Charity fund-raiser again!!!** Stitch and finish a pin cushion. Bring it to check-in along with \$5 donation (more is always better!). Saturday after lunch we'll have our pin cushion exchange, and Silver Needle will match the \$\$ donations for St Judes!!!

We're looking forward to some really fun days. See you there!
