

## Presenting Silver Needle's 2018 Summer Stitching Event

Join Us as We Welcome Lizzie Kate and Hands On Design!

Thursday, July 12th -- Saturday, July 14th, 2018

Linda Ebricht of Lizzie\*Kate has been delighting us for years with her charming designs... ornaments, samplers, inspirational pieces... a million different things! We love Linda and are so excited to host her! Cathy Habermann is another fun lady! Super-creative on the finishing end, she likes mixing bits of wool into her stitched designs, so whatever we get for our Event -- it will be fresh and fun. I'll talk to them about a collaboration piece for Thursday evening.

**Wednesday, July 11th** -- The Early-Bird Day! Come and shop all day long... We're ready for you! Your daytime Stitching Lounge (in our class space) opens today for the earliest of early-birds! 1PM today begins 4 days of stitching!!! Mona has an optional finishing class today, and there will be an evening stitch lounge at the hotel tonight, as well.

**Thursday, July 12th** -- Our Daytime Event Stitching Lounge opens at 9am today! Mona has more optional finishing classes, and the shop is open all day for terrific shopping! Happy Hour tonight begins about 4:45 and the Dinner Festivities follow with the Designers. (You'll be curling up at the hotel for bedtime stitching by 10.)

**Friday and Saturday, July 13th and 14th** -- Classes with Linda and Cathy... these two days -- both of the ladies are working on wonderful projects for us -- and you get them BOTH! Yummy lunches tossed in, door prizes, goodie bags, great shopping and lots of friends... what could be better? We wrap up by 4pm.

### **Wednesday July 11th Class -- 1 to 4pm**

We're taking basic finishing techniques to the next level! Featured this year will be a box that opens and can be filled with your treasures. A very cute stand that will adapt to all those half-finished projects hiding in your cabinet. We will also construct a bag perfect to display your stitching in a new way! Also, an asymmetrical ornament finish. Fun afternoon with lots of creative finishing treatments.

### **Thursday July 12th Class -- 12:30 to 4pm**

This is our Sewing Smalls class. This year, a tray filled with littles -- a drum, needlebook, and fob. Too much fun for one afternoon, but somehow at the end of the day, you'll have a darling sewing set, and you'll be ready to hit Happy Hour!!!!
