

Presenting Silver Needle's 2019 Summer Stitching Event

Join Us as We Welcome Heart in Hand and Bent Creek!

Thursday, July 18th -- Saturday, July 20th, 2019

Cecilia Turner has been *The Heart* behind Heart in Hand for 25 years... so it's high time we host her as our Special Guest this summer! She's been designing *Cheerful, Whimsical, Colorful, and Fresh* for all those years! She is actually the first designer who presented her patterns in the 4-1/4 x 5-1/2 small card size... and we sold a TON of them! Marsha Worley and Elizabeth Newlin are the ladies behind Bent Creek... and super-supported by Elizabeth's other half -- Mike. They've been around for 22 years... it's hard to believe. They've been a part of life at The Silver Needle and in the Stitching World for forever - it seems! Come spend a few days with all of us old friends!

Wednesday, July 17th -- The Early-Bird Day! The 'Arrival Day.' Come and shop all day long... We're ready for you at 10am! Your daytime Stitching Lounge (in our class space -- which promises to be the now-vacant Ethan Allen space!) opens today at 1pm for the earliest of early-birds! Mona has an optional finishing class this afternoon, (check in at the shop for that) and there will be a 'come-and-go' evening stitch lounge at the Hyatt hotel tonight, as well.

Thursday, July 18th -- Our Daytime Event Stitching Lounge (in our class space) opens at 9am today! Mona has more optional finishing classes, and the shop is open all day for terrific shopping! Happy Hour tonight begins about 4:45 and the Dinner Festivities follow with the Designers. You'll get a fun, quick project tonight. (You'll be curling up at the hotel for bedtime stitching by 10.)

Friday and Saturday, July 19th and 20th -- Classes with Cecilia, Marsha and Elizabeth... these two days -- all of the ladies (and guy!) are working on wonderful projects for us! Yummy lunches tossed in, door prizes, goodie bags, great shopping and lots of friends... what could be better? We wrap up by 4pm.

WE MUST HAVE COMPLETE INFORMATION FOR EACH ATTENDANT AT TIME OF REGISTRATION. WE WILL NOT CREATE A SPACE OR HOLD ONE FOR ANYONE WITHOUT THEIR COMPLETE INFORMATION. IF YOU ARE CALLING FOR YOUR GROUP, YOU MUST HAVE ALL YOUR INFORMATION FOR EACH ATTENDANT.

We are offering two optional Magic By Mona Finishing Frenzy classes on Wednesday and Thursday - in addition to our Designers!!! Take one \$55, or both for \$100. They are little classes designed to teach you how to finish your needlework on your own, which always comes in handy at *the last minute!* You will be stitching small designs by Cecilia and Marsha/Elizabeth for your STITCHING HOMEWORK BEFOREHAND. PLEASE CONTACT US BY MARCH 31st IF YOU DO NOT HAVE YOUR HOMEWORK YET. We expect to have it to you the beginning of March. (This is a big deal... because if you don't have your homework, we don't know and obviously need a nudge!) You can register for Mona's classes at any point, up to June 1st. You don't have to decide NOW what your travel plans are and what day you will arrive... but the sooner you register for these finishing classes, the sooner the homework comes!

Wednesday July 17th Class -- 1 to 4pm Basics & Beyond

Box: We've given the basic box a brand new layer of color and charm. Perfect for monthly or recurring series designs -- make one, re-use it and you're done!!! Wedges are going 3-D. Think of a sweet, juicy summer delight -- cute and delish! Flat Finish on-a-stick will be another fun project on a base, with a new edge treatment that will also work for ornaments. Fun afternoon with lots of creative finishing treatments.

Thursday July 18th Class -- 12:30 to 4pm Sewing Set

This is our Sewing Smalls class. This year, a sewing mat filled with special little areas for all your stitching necessities. Thread board -- cute, just what Mom ordered to keep you organized! Fobs -- Mona has a secret up her finishing sleeve this year...

I believe there is an airport shuttle, and they have been wonderful about running stitchers over to the shop. (Double check those transportation arrangements -- just to be safe.)

Happy Hands -- Early intervention and development for hearing impaired children. It's an awesome facility right down the road from the shop. Stitch and finish a pin cushion.
